

E-Scooter-Räuber schlägt zu: Zeugen gesucht in Syke!

Unbekannter Täter versucht in Syke, E-Scooter eines 27-Jährigen zu rauben. Polizei sucht Zeugen für Hinweise.

Bahnhof Syke, Deutschland - In Syke, late at night around 00:30, a daring attempted robbery unfolded at the local train station. A 27-year-old man was viciously attacked by an unknown assailant who tried to steal his E-Scooter. The brutal confrontation began on the station's platform and spilled out onto Gartenstraße. Thanks to the man's quick thinking and resilience, he managed to fend off the attacker, although he sustained minor injuries to his head during the scuffle.

Witnesses report that the attacker was part of a boisterous group of young men near a black car at the bus station. After the failed robbery, the group quickly dispersed, leaving authorities seeking help from the public. The police urge anyone

who may have information about these individuals or witnessed the incident to contact them at 04242 / 9690.
