

## **iPhone 16 zum Schnäppchenpreis: 7 % Rabatt auf das Apple-Flaggschiff!**

Der neue iPhone 16 ist jetzt auf Rakuten für 879,99 Euro erhältlich. Sichern Sie sich den leistungsstarken A18-Chip und großartige Funktionen!

Apple's latest smartphone, the iPhone 16, has hit the market with a price drop that shoppers might want to snag. First listed at €949.99 for the 128 GB model in Blue Outremer, it is now available for just €879.99 on the Rakuten platform. That's a neat 7% discount! Customers have the option to pay upfront or split the cost with various payment plans. Plus, those who are members of Rakuten's Club R can earn an extra €44 in Rakuten Points with their purchase, boosting their personal rewards.

Equipped with the powerful A18 chip, the iPhone 16 promises improved performance and energy efficiency. The device features a sturdy aerospace-grade aluminum construction and a Ceramic Shield glass, ensuring durability. Its Super Retina XDR display spans 6.1 inches with a crisp resolution of 2556 x 1179 pixels, supporting HDR10 and Dolby Vision. In the photography department, it boasts a 48-megapixel main camera alongside a 12-megapixel ultra-wide lens and another 12-megapixel front camera, all designed to enhance your selfies and video calls. With an impressive battery life, users can enjoy up to 22 hours of video playback. Stocks are expected to deplete quickly, so now might be the time to act!
