

Robert Fulford, kanadische Journalismus-Ikone, mit 92 Jahren verstorben

Der angesehene kanadische Journalist Robert Fulford ist im Alter von 92 Jahren verstorben. Er prägte die Medienlandschaft über sieben Jahrzehnte hinweg.

Toronto, Kanada - Robert Fulford, a titan of Canadian journalism, has passed away at the age of 92. The news was shared by his daughter, Sarah Fulford, who noted that he died peacefully on Tuesday, surrounded by family. With a remarkable career spanning over seven decades, Fulford contributed to major Canadian publications, including the Canadian Press and Maclean's, and was best known as the editor of Saturday Night magazine for two decades. His insightful columns tackled topics ranging from national identity to culture and the arts.

Born in Ottawa in 1932 and raised in Toronto, Fulford began writing in the 1950s. He was honorably recognized in 1984 as an Officer of the Order of Canada for his integrity and influential role in shaping public opinion through journalism. His influence on Canadian literature and critique continues to resonate, with many reflecting on his unique voice and sharp wit. "He had a directness and simplicity in his writing that was extraordinary," noted Andrew Coyne, a columnist for the Globe and Mail. Fulford's legacy is marked by his fearless commentary, most notably criticizing public funding in the film industry and shedding light on significant cultural issues.
