

Müll-Feuerteufel in Dresden: Vier Container in Flammen!

Unbekannte setzten in Dresden-Südvorstadt mehrere Abfallbehälter in Brand. Polizei ermittelt, Schadenshöhe unklar.

Dresden-Südvorstadt, Deutschland - In der Dresdner Südvorstadt wreak havoc as unknown assailants set ablaze four garbage containers on the evening of October 7, 2024. The fiery chaos began around 21:10 Uhr on George-Bähr-Straße, where two waste bins were engulfed in flames, causing significant sooting to a nearby building's facade.

Just two hours later, the arson spree continued, with a container igniting on Helmholtzstraße, followed swiftly by another fire at the corner of Rugestraße/Eisenstuckstraße. The scale of damage remains unassessed as the police launch an investigation into these alarming incidents. Stay tuned for updates!
